

# LOKSABHA ELECTION ANALYSIS

## 2014-2019

### Overview

It analyzes the 2014 and 2019 Lok Sabha elections, focusing on candidate demographics (age, gender, category), top/bottom constituencies by voter turnout and elector counts, and state-wise trends.

[More Details ->](#)

### State Analysis

It includes an analysis of the 2014 and 2019 Lok Sabha elections, focusing on winner candidates and vote share at the state level for each party.

[More Details ->](#)

### National Analysis

It focuses on the vote share of parties at the national level, as well as the gained or lost vote share for each party. This comprehensive examination provides insights into national electoral dynamics and trends.
